

Hello Club representatives. Please distribute this to your members freely. We encourage everyone to become an active CW operator for both Emergency communications when all else fails, and just for the fun of it. Thank you VERY much for helping to support your other local clubs as we have supported yours!

The SFM ARC would like to announce that we will once again be running our 10 week CW for beginners course. This course will be 10 weeks long held once a week for 2 hours (7PM until 9PM-ish) each Wednesday evening in Carmichael. If you, your club members, or someone you know are interested in taking our CW class we encourage you to sign up **NOW**. This class is made available to EVERYONE that wants to take it. They do NOT need to be a licensed operator to join our class. We have locked a start date for the class, we will begin Wednesday evening **September 11th** (Ending Nov. 20th).

Everyone can benefit from this course! For those with no Morse Code knowledge this is an excellent course where you or your friends will be taught the complete International Morse Code alphabet, numbers, pro-signs, how to adjust and send on a Morse Code straight key and more interesting general information than one brain can store! The goal of our course is to have all students up to speed around week 6, and on the air! This is also a great opportunity for those of you who may have already taken our course before. This class offers a chance for returning students to brush up on their code, increase their speed, build on-air confidence and get a better understanding of the 'pro-signs' that CW radio ops use on-air.

The CW class is **\$50** for new members, and only **\$20** for returning members who bring their previously supplied Morse Key and Oscillator. As always, as a new student you will receive a **FREE** Morse Code straight key and a Code Oscillator to keep at the completion of the course. These items are worth more than \$50 by themselves.

**Now for the important part...** This is a **FIRST COME FIRST SERVE COURSE!** We will Limit the amount of students who are able to take this course. Therefore it is very important that you make your payment AS SOON AS POSSIBLE to secure your seat in this class. We do not take walk-ins at the door.

To make payment by check you must FIRST send an email to [admin@w6sfm.com](mailto:admin@w6sfm.com) to indicate that you are interested and you are going to make your payment. We will hold your seat for 7 days from your email while we await your payment to come:

If you prefer, and we do, you may also pay via PayPal or Credit Card. PayPal and CC payments will be charged an extra \$2.00 for credit card processing fees.
